

TRAVEL GUIDE | AIRPORT TRANSFER

Boston's Logan Airport to South Station

Via Public Transportation, connect at South Station for Amtrak and MBTA Commuter Rail/Red Line service.

1

At any terminal follow signs for baggage claim/ground transportation and exit the terminal.

2

The **Free** Silver Line Rapid Bus Service (SL1) picks up at each Terminal. Follow signs for ground transportation and exit the airport. Look for curbside MBTA Silver Line signs that identify the pick up spot at each terminal.

The SL1 Line operates 530AM - 1230AM 7 Days a Week

3

When reaching South Station, follow signs to connect to Amtrak, Commuter Rail, Subway, and Bus service. Tickets can be purchased via kiosks or at ticket windows at South Station depending on the mode of transportation.

Subway Tickets start at \$2.40.

Amtrak tickets depend on a number of factors and should be purchased in advance to maximize availability and cost savings.
